

Commercial Guarantee

At Magnusson we take special care to select high quality materials and use manufacturing techniques that allow us to create ranges of products incorporating design and durability. The “LIFETIME” and “5 YEAR” Guarantees (each a Guarantee) start from the date of purchase, whether bought in store, delivered or bought online. The 5 year Guarantee period applies from the first date of purchase of the original product. Any replacement product issued under this Guarantee will therefore only be guaranteed until expiry of the original period (and not 5 years from the date any replacement product may have been provided to you).

You may only make a claim under a Guarantee upon presentation of your sales receipt or purchase invoice. Please keep your proof of purchase in a safe place.

The Guarantees:

- cover product failures and malfunctions provided that the Magnusson product: (i) was used for the purpose for which it is intended; and (ii) was installed, cleaned, cared and maintained in accordance with standard practice and in accordance with the information contained above and in the user manual (if a user manual is provided with the product);
- do not cover defects and damage caused by normal wear and tear of the product;
- do not cover damage that could be the result of improper use, faulty installation or assembly, neglect, accident or modification of the product;
- are limited to parts recognised as defective; and
- do not, in any case, cover ancillary costs (such as movement or labour), direct damage or indirect damage.

Please refer to the relevant product sections below for guarantee duration and further exclusions.

*1 Sharpness of teeth, blades & cutting edges is excluded from the Guarantee.

*2 Consumables parts which are reasonably expected to be used up or damaged during use (i.e. screwdriver bits, hacksaw blades, knife blades, nozzles, plungers, etc.) are excluded from the Guarantee.

*3 Excluding any part which is covered by the 5 YEAR Guarantee.

*4 Accuracy/calibration is guaranteed for 1 year from date of purchase.

*5 Excluding plastic drawer inserts, locks, foam pads, etc.

*6 To maintain tools, clean with a dry cloth after each use and store in a covered, dry place. Annually, give your wooden handled tools a rub down with a protective oil. This will keep the wood supple and help prevent cracks.

If the Magnusson product is defective during the guarantee period, we reserve the right, at our discretion, to replace the Magnusson product with a product of equivalent quality and functionality or to provide a refund. This guarantee only applies to the country of purchase or delivery and is not transferrable to any other countries. This guarantee is non-transferrable to any other person or product. Relevant local law will apply to this guarantee. This guarantee is in addition to and does not affect your statutory rights relating to faulty goods as a consumer. Guarantee related queries should be addressed to a store affiliated with the distributor from which you purchased the Magnusson product.
